Subject: Permission to set up children's Library at CRY's Project Partner in Mumbai.

Dear Biswadeep,

As per your request, CRY management has agreed to provide you with a space at one of our project partners in Mumbai for setting up a children's library as has been proposed by you.

This is for your kind information that the project partner works with underprivileged children living in and around the project partner premises who visit the centre on a daily basis and we are convinced that your initiative would benefit them in their overall development.

We would like to assure you that once the library is ready for use it shall be managed and maintained by the concerned project partner.

You may visit our project partner's centre to do a recce of the space allocated to you for setting up the library.

We look forward to further updates on this from your end.

With Regards,

Kreeanne Rabadi,  
Regional Director (West),

# Realizing

*I want to wake up one morning and find these kids seated in my dream library with a gaze of wonderment; a book held in their mighty hands and their minds captivated by the unknown beauty of their surroundings.*

# WHY IS THIS MY DREAM?

It is important to me because:

- ✓ The initiative will encourage more than 300 under-privileged kids to read books;
- ✓ The kids will be get exposure to an exquisite environment; which they have only dreamt of till now;
- ✓ I believe that if I'm able to provide them with a captivating library set-up, it will considerably deter absenteeism and dropping-out from schools.
- ✓ They will be enthused to "Dream a Little bigger, A little louder" through this dream of mine.

*My dream is to provide an incentive to these children which will be the foundation of something bigger in their lives.*
